

## IT'S HERE! CENTENARY TREASURES FOR ALL

Just launched, this little book aims to show the development of Christianity in the Diocese through 100 'treasures' found in our church buildings. Most have been nominated by the churches themselves and will take you on an unforgettable tour of church buildings across the diocese from the grand and magnificent to the remote and beautiful. This could make the perfect Christmas gift so order your copies by completing the order form below.
